SOURCE: Based on a national survey conducted by the Kaiser Family Foundation with the Georgetown University Center for Children and Families, 2018.

Table presents rules in effect as of January 1, 2018.

## TABLE 15 NOTES

1. N/A indicates that coverage is not available at the specified income level. If a state does not charge premiums at all, it is noted as "--".
2. Cases in which premiums or enrollment fees are not a whole dollar value have been rounded to the nearest dollar.
3. This column indicates whether there is a maximum amount that a family with multiple children would be required to pay in premiums. Family based premium indicates that the premium amount listed in the table is per family rather than per child.
4. In Arizona, there is a maximum premium of \$60 for families with incomes at 151% FPL and \$70 for families with incomes at 200% FPL.
5. In California, the family maximum premium is \$39.
6. In Connecticut, the family maximum premium is \$50.
7. Delaware has an incentive system for premiums where families can pay three months and get one premium-free month, pay six months and get two premium-free months, and pay nine months and get three premium-free months.
8. In Illinois, CHIP premiums are \$15 per child, \$25 for two children, and \$5 for each additional child up to a \$40 maximum for families with incomes below 208% FPL. Above 208% FPL, families pay \$40 per child or \$80 for two or more children.
9. In Indiana, there is a maximum premium of \$33 for families with incomes between 175% and 200% FPL, \$50 for families with incomes between 200% and 225% FPL, \$53 for families with incomes between 225% and 250% FPL and \$70 for families with incomes at or above 250% FPL.
10. In Iowa, there is a maximum premium of \$20 for families with incomes at 201% FPL and \$40 for families with incomes at 251% FPL or 301% FPL.
11. In Kansas, there is a maximum premium of \$20 for families with incomes up to 191% FPL, \$30 for families with incomes up to 218% FPL, and \$50 for families with incomes up to 241% FPL.
12. In Maine, the family maximum premium is \$64.
13. In Massachusetts, the family maximum premium is \$28.
14. In Missouri premiums vary by family size. Amounts shown are for 2-person, 3-person, and 4-person family. Rates increase based on family size with no cap. Premiums are tied to a percentage of the FPL and change annually.
15. In New York, there is a maximum premium of three times the child rate.
16. In Pennsylvania, premiums vary by contractor. The average amount is shown.
17. In Vermont, for those above 238% FPL, the monthly premium is \$20 if the family has other health insurance and \$60 if there is no other health insurance.
18. In Washington, there is a maximum premium of \$40 for families with incomes at 251% FPL and \$60 for families with incomes at 301% FPL.
19. In West Virginia, the family maximum premium is \$71.
20. In Alabama, the family maximum annual enrollment fee is \$312.
21. In Colorado, there is a maximum annual enrollment fee of \$35 for families with incomes at 201% FPL and \$105 for families with incomes at 251% FPL.
22. In North Carolina, the family maximum annual enrollment fee is \$100.
