SECT	SECTION 1: MEDICAID EXPENDITURES  1. Medicaid Expenditure Growth: SFYs 2015-2017. For each year, indicate the annual percentage change in total								
	Medicaid Expenditure Growth: SFYs 2015 Medicaid expenditures for each source of								
	Fiscal Year (generally, July 1 to June 30)	State*	Percentage Change Local or Other	of Each Fund S Federal	Source Total: All Sources				
	<b>a.</b> FY 2015 over FY 2014	%	%	%	%				
	<b>b.</b> FY 2016 over FY 2015	%	%		%				
	c. FY 2017 over FY 2016 (proj.)	%	%		%				
	*State spending refers to State General Revenue		• • •						
4. F	Shortfall: How likely is a FY 2017 Medicaid land of Comments on Medicaid expenditures (Questactors Driving Total Expenditure Changes and Medicaid spending (all funds) in FY 2015	estions 1-3): . What were the	e most significant fa		<pre><choose one=""> fected growth or decline in</choose></pre>				
	Total Medicaid Spending		FY 2016	F	Y 2017 (projected)				
	a. Upward i. Most significant	factor?			,				
	Pressures ii. Other significant								
	<b>b.</b> Downward <b>i.</b> Most significant	factor?							
	Pressures ii. Other significant	factors?							
(	Comments on Factors (Question 4):								
a. b. 6. S	Use the drop-down to identify the source of	e of financing for describe: on financing: _ ficant factors af	or the 5% state share	re (beginning Federal, genei	1/1/2017): <choose one=""> ral fund) Medicaid</choose>				
SECT	TION 2: MEDICAID ENROLLMENT								
	Change in Total Enrollment: Please indicate enrollment in FY 2016 and projected for FY		-	•	<u> </u>				

Fiscal Year	Percentage Change in Enrollment							
FISCAI TEAI	All Enrollees	Children	Expan. Adults	Aged/Disabled	All other Adults			
<b>a.</b> 2016 over 2015	%	%	%	%	%			
<b>b.</b> 2017 over 2016 (proj.)	%	%	%	%	%			

Comments on enrollment changes by eligibility group:

2. Key Factors Driving Change in Enrollment: In the table below, please identify what you believe were the key factors that were upward and downward pressures on total enrollment in FY 2016, and expected to be in FY 2017.

	FY 2016	FY 2017 (projected)
a. Upward Pressures		
<b>b.</b> Downward Pressures		

Cammants as	n factors (Questio	nc 21.
mments or	n tactors (( )Hestio	nc /

3. Eligible But Not Enrolled: Since 2014, what has been your state's enrollment experience with persons who wer previously eligible but not enrolled (e.g., growth compared to original projections, etc.)?							
4.	a.	dicaid Expansion Experience (Non-expansion states may skip):  Newly Eligible Enrollment: Compared to your state's projections prior to implementation, has enrollment for the newly eligible been higher, lower or on target with state projections?   Enrollment of other groups. How have enrollment trends for other groups (e.g., pregnant women, disabled, etc.) been affected by the Medicaid expansion?					
		Per Capita Spending: Compared to your state's original projections (prior to implementation), are actual PMPN costs for expansion enrollees higher, lower or on target with state projections? <a href="choose one">choose one</a> Other effects. Please briefly describe other effects of Medicaid expansion, if any, such as impacts on Medicaid financing, state revenues or taxes, uncompensated care, criminal justice population, economic impacts, etc.					
		Comments on Question 4:					
5.	a.	ths Financed by Medicaid. (Respond with the most recent 12 month period for which you have data)  What share of all births in the state were financed by Medicaid?  Indicate the data reference period and any comments on Question 5:					
SEC	TION	3: MEDICAID ELIGIBILITY STANDARDS, APPLICATION AND RENEWAL PROCESSES					
1.	cov	tional Eligibility Groups. Using the drop-downs, indicate whether the groups listed in the table below were rered in FY 2013. If covered, indicate whether that coverage pathway was or will be eliminated (due to new rerage options). If "Other Change" is selected, use the comment line below the table to describe it. For minations, provide an estimate of the number losing Medicaid eligibility (i.e., not eligible in another category).					

	Covered in	Coverage Eliminated in: No			Other Change	Est. No. of People		
Optional Medicaid Eligibility Group	FY 2013	FY	FY	FY	FY	Plans	(e.g., freeze/dose	Affected (e.g.,
Optional Medicald Engionity Group	(Yes, No)	2014	2015	2016	2017	to End	enrollment)	losing Medicaid
	(165, 140)		(0	Check or	ly one b	oox per l	ine)	coverage)
a. Breast & Cervical Cancer Program	<choose one=""></choose>							
<b>b.</b> Medically Needy Spend- Down - Parents	<choose one=""></choose>							
c. Medically Needy Spend- Down - Disabled	<choose one=""></choose>							
d. Pregnant Women 133+% FPL	<choose one=""></choose>							
e. Family Planning waiver/SPA	<choose one=""></choose>							

Comments on optional eligibility groups (Question 1):

2. Other changes in Medicaid eligibility standards: Describe other changes in Medicaid eligibility standards\* implemented in FY 2016 or adopted for FY 2017. (Exclude federally mandated changes and CHIP-funded changes.) Use the drop-down boxes to indicate the Year, Eligibility Group Affected ("Children," "Expansion Adults," "Aged & Disabled," or "All Other Adults,") and the "Nature of Impact" ("Expansion," "Restriction," or "Neutral" effect from the beneficiary's perspective). If no changes, check the box on line "d."

Nature of Eligibility Standards Change	Year	Group Affected	Est.#of People Affected	Nature of Impact				
a.	<choose one=""></choose>	<choose one=""></choose>		<choose one=""></choose>				
b.	<choose one=""></choose>	<choose one=""></choose>		<choose one=""></choose>				
c.	<choose one=""></choose>	<choose one=""></choose>		<choose one=""></choose>				
d. No changes in either FY 2016 or FY 2017								

<sup>\*&</sup>quot;Eligibility standards" include income standards, asset tests, retroactivity, continuous eligibility, treatment of asset transfers or income, or implementing buy-in options (including Ticket to Work and Work Incentive Improvement Act or the DRA Family Opportunity Act).

Comments on change in eligibility standards (Question 2):

## **SECTION 5: MONTHLY CONTRIBUTIONS / PREMIUMS AND COST-SHARING CHANGES**

1. Monthly Contributions / Premiums: Using the drop-down boxes, indicate whether premium or monthly contributions were in place for the groups listed below in FY 2015. Please also describe any monthly contribution or premium policy changes for these groups in FY 2016 or planned for FY 2017. (Exclude inflationary changes as well as requirements for CHIP-funded or premium assistance programs.) Note the effective date for any change(s) and briefly describe the change, if applicable. If there are no monthly contribution or premium requirement changes planned for either year, check the box on line "f."

	Group Subject to Monthly Contribution/Premium	In place in FY 2015	Decreased, Eliminated, No.		Action (briefly describe the change, if applicable)	Effective Date

f.	No monthly contribution or pre	emium requireme	nt changes planne	d for FY 2016 or	FY 2017	

2. Changes in Cost-Sharing: In the table below, please describe any cost-sharing policy changes in FY 2016 or planned for FY 2017. Use drop-down boxes to indicate Year, Nature of Impact ("New," "Increase," "Decrease," "Elimination" of an existing requirement, or a "Neutral Effect"). Also indicate Eligibility Group(s) Affected. If there are no cost-sharing changes to report for either year, check the box on line "d."

Cost-Sharing Action	Fiscal Year	Eff. Date	Elig. Group(s) Affected	Nature of Impact				
a.	<choose one=""></choose>			<choose one=""></choose>				
b.	<choose one=""></choose>			<choose one=""></choose>				
c.	<choose one=""></choose>			<choose one=""></choose>				
d. No changes in either FY 2016 or FY 2017								

Comments on premiums and cost sharing (Questions 1 and 2):

## **SECTION 6: BENEFIT AND PHARMACY CHANGES**

1. Benefit Actions. Describe below any benefits changes implemented during FY 2016 or planned for FY 2017. (Exclude HCBS¹ and pharmacy benefit changes, which are covered later.) Use drop-downs to indicate Year, Nature of Impact (i.e., from beneficiary's perspective, is it an "Expansion," a "Limitation," an "Elimination," or a change with a "Neutral Effect"?). If there are no benefit changes for either year, check the box on line "d."

Benefit Change	Year	Eff. Date	Elig. Group(s) Affected	Nature of Impact
a.	<choose one=""></choose>			<choose one=""></choose>
b.	<choose one=""></choose>			<choose one=""></choose>
c.	<choose one=""></choose>			<choose one=""></choose>
d. No changes in either FY 2016 or FY 2017				

Comments on benefit changes:

2. Mental Health Parity. Does your state anticipate any changes to State Plan service design and/or MCO payments or MCO/State Plan service design in response to the final Mental Health Parity and Addiction Equity Act regulations published in March 2016?

If so, please briefly describe the anticipated changes:

<sup>&</sup>lt;sup>1</sup> For this purpose, "HCBS" includes Section 1915(c) waivers, 1915(i) HCBS State Plan Option, 1915(k) Community First Choice Option, and State Plan personal care services, home health services and private duty nursing services.

	<ul> <li>will continue after the expiration of the Money Follows the Person grant program? <choose one=""></choose></li> <li>i. If "yes," please briefly describe and indicate the target populations (e.g., individuals with physical disabilities, SMI, or chronically homeless):</li> </ul>									
	<ul> <li>b. Has your state implemented/expanded any strategy outlined in the CMCS Bulletin in FYs 2016 or 2017?</li> <li><choose one=""></choose></li> <li>i. If "yes," please briefly describe and indicate the target populations:</li> </ul>									
	<b>c.</b> Does your state encourage or require Medicaid MCOs to provide housing related services? <choose describe.<="" if="" one="" please="" so,="" th=""></choose>									
4.	4. Top Pharmacy Cost Drivers. Please list in the table below the three biggest cost drivers that affected growth in total pharmacy spending (all funds) in FY 2016 and projected for FY 2017.
