

NEW ORLEANS TEN YEARS AFTER THE STORM

PERCEPTIONS OF RECOVERY AND LIFE IN NEW ORLEANS OVER TIME

■ 2006 ■ 2008 ■ 2010 ■ 2015

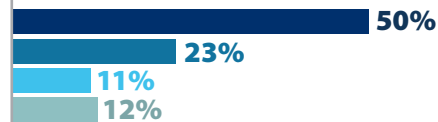

The recovery and rebuilding effort is going in the right direction

New Orleans has mostly recovered from Hurricane Katrina

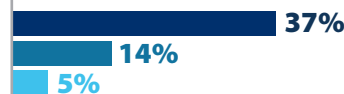

A lot of progress has been made on repairing the levees, pumps, and floodwalls

A lot of progress has been made on attracting more businesses and jobs to New Orleans

A lot of progress has been made on making medical facilities and services more available

Neighborhood has enough places where you can buy groceries including fresh produce

Neighborhood has enough places where children can play outside

Neighborhood does NOT have enough police presence

Do NOT feel safe from crime in their neighborhood
